PROCESSED/ HOMEMADE FOODS

-ATTENTION PROVIDERS CLAIMING ONLINE!-

Evergreen needs to ensure that providers are only claiming creditable processed foods (When applicable). As a result, effective immediately, providers claiming online are required to write the commercially processed food manufacture name on the **comments** or **notes box**, if the menu contains an approved processed food component.

If you serve what might seem as a commercially processed food (Chicken nuggets, fish sticks, etc.), yet it is actually homemade, then ensure to write HOME MADE on the menu comments or note box. Not indicating homemade or the manufacture name, when applicable, will make the menu not subject for reimbursement.

*Commercially Processed foods include, but are not limited to: Chicken Nuggets, Fish Sticks, Corn Dogs, Meat Balls, Beef & Chicken Patties.

*If you don't recall the creditable processed foods, please see **Evergreen's Approved Processed Foods List** (Located in our website under the **Policies and Regulations** Tab).

*Contact ECCI if you find and want to use a processed food that is not in our list, but does have a Child Nutrition label.
